FIRM PROFILE:

Lieff Cabraser Heimann & Bernstein, LLP, is a fifty-plus attorney, AV-rated law firm founded in 1972 with offices in San Francisco, New York and Nashville. Lieff Cabraser has a diversified practice, successfully representing plaintiffs in the fields of personal injury and mass torts, securities and investment fraud, employment discrimination and unlawful employment practices, product defect, antitrust, consumer protection, aviation, environmental and toxic exposure, and human rights. Our clients include individuals, classes or groups of persons, businesses, and public and private entities.

Lieff Cabraser has served as court-appointed Plaintiffs' Lead or Class Counsel in state and federal coordinated, multi-district, and complex litigation throughout the United States. With co-counsel, we have represented clients across the globe in cases filed in American courts. We have litigated and resolved thousands of individual lawsuits and hundreds of class and group actions, including some of the most important civil cases in the United States over the last fifteen years.

Lieff Cabraser is among the largest firms in the United States that only represent plaintiffs. Described by *The American Lawyer* as "one of the nation's premier plaintiffs' firms," Lieff Cabraser enjoys a national reputation for professional integrity and the successful prosecution of our clients' claims. We possess sophisticated legal skills and the financial resources necessary for the handling of large, complex cases, and for litigating against some of the nation's largest corporations. We take great pride in the leadership roles our firm plays in many of this country's major cases, including those resulting in landmark decisions and precedent-setting rulings.

In the 2007 edition of its annual list of the plaintiffs' law firms "doing the most to shape the law," *The National Law Journal* selected Lieff Cabraser as one of the nation's top plaintiffs' firms. Lieff Cabraser was also a member of *The National Law Journal's* Plaintiffs' "Hot List" from 2003 through 2006. We are one of only two plaintiffs' law firms in the nation to receive this award the last five years.

CASE PROFILES:**A. Personal Injury and Products Liability Litigation**

Lieff Cabraser has obtained over \$400 million in verdicts, judgments and settlements for our clients in individual personal injury and wrongful death lawsuits. Since 1995, and working with co-counsel, we have achieved verdicts, judgments and settlements in excess of \$10 billion in product liability class action lawsuits.

We only represent plaintiffs. In many of these cases, we assisted our clients in persuading the corporate defendants to issue recalls or improve their safety procedures for the protection of all consumers and patients. For their outstanding service to their clients and advancing the rights of all persons injured by defective products in *Mraz v. DaimlerChrysler* (described below), Lieff Cabraser partners Robert J. Nelson and Scott P. Nealey received the 2008 California Lawyer of the Year (CLAY) Award in the field of personal injury law, and were also selected as finalists for attorney of the year by the Consumer Attorneys of California and the San Francisco Trial Lawyers Association.

Currently, we are prosecuting scores of lawsuits involving injuries and deaths from all types of negligent conduct, manufacturing errors and design defects. Our cases range from vehicle and aviation accidents to faulty medical devices. We also represent patients prescribed drugs with dangerous, undisclosed side effects and consumers sickened by contaminated food products.

Our successful personal injury and products liability cases, with the exception of aviation cases which are profiled separately, include:

1. ***Individual Vehicle Injury Lawsuits.*** Lieff Cabraser has an active practice prosecuting claims for clients injured, or the families of loved ones who have died, by the wrongful conduct of other drivers or due to unsafe and defective vehicles, tires and other automotive equipment. We are representing clients in actions involving fatalities and serious injuries due to rollover accidents of fifteen passenger vans and sports utility vehicles. Plaintiffs allege that the vans and SUVs were defectively designed because they pose an unreasonable risk of rollover during foreseeable driving conditions.

We also represent clients in many other vehicle cases including ones where defective cruise control switches resulted in fires and transmission defects that caused the vehicle to shifted suddenly from park into reverse. In March 2007, in *Mraz v. DaimlerChrysler*, No. BC 332487 (Cal. Supr. Ct.), we obtained a \$54.4 million verdict, including \$50 million in punitive damages, against DaimlerChrysler for intentionally failing to cure a known defect in millions of its vehicles that led to the death of Richard Mraz, a young father. Mr. Mraz suffered fatal head injuries when the 1992 Dodge Dakota pickup truck he had been driving at his work site ran him over after he exited the vehicle believing it was in park. The jury

found that a defect in the Dodge Dakota's automatic transmission, called a park-to-reverse defect, played a substantial factor in Mr. Mraz's death and that DaimlerChrysler was negligent in the design of the vehicle for failing to warn of the defect and then for failing to adequately recall or retrofit the vehicle.

In March 2008, a Louisiana-state jury found DaimlerChrysler liable for the death of infant Collin Guillot and injuries to his parents Juli and August Guillot and their then 3 year old daughter Madison. The jury returned a unanimous verdict of \$5,080,000 in compensatory damages. The jury found that a defect in the Jeep Grand Cherokee's transmission, called a park-to-reverse defect, played a substantial factor in Collin Guillot's death and the severe injuries suffered by Mr. and Mrs. Guillot and their daughter. Lieff Cabraser served as co-counsel in the trial.

In litigation against Yamaha Motor Company, our clients suffered serious injuries due to an alleged design defect in the Yamaha Rhino. The complaints charge that the Rhino is dangerously unstable. Even during turns on flat surfaces at slow speeds, the Rhino has rolled over because it is top heavy, narrow, and the tires are too small.

2. ***Multi-State Tobacco Litigation.*** Lieff Cabraser represented the Attorneys' General of Massachusetts, Louisiana and Illinois, several additional states, and 21 cities and counties in California, in litigation against Philip Morris, R.J. Reynolds and other cigarette manufacturers. The suits were part of the landmark \$206 billion settlement announced in November 1998 between the tobacco industry and the states' attorneys general. The states, cities and counties sought both to recover the public costs of treating smoking-related diseases and require the tobacco industry to undertake extensive modifications of its marketing and promotion activities in order to reduce teenage smoking. In California alone, Lieff Cabraser's clients were awarded an estimated \$12.5 billion to be paid over the next 25 years.

3. ***Fen-Phen ("Diet Drugs") Litigation.*** Lieff Cabraser represents individuals pursuing personal injury claims due to injuries from the "Fen-Phen" diet drugs fenfluramine (sold as Pondimin) and/or dextfenfluramine (sold as Redux). We served as counsel for the plaintiff that filed the first nationwide class action lawsuit against the diet drug manufacturers alleging that they had failed to adequately warn physicians and consumers of risks associated with the drugs. Since the recall was announced in 1997, Lieff Cabraser has represented over 400 persons in individual actions who have suffered heart and/or lung damage, most often consisting of cardiac valve damage and/or Primary Pulmonary Hypertension, after ingesting Pondimin or Redux. In *In re Diet Drugs (Phentermine / Fenfluramine / Dexfenfluramine) Products Liability Litigation*, MDL No. 1203 (E.D. Pa.), the Court appointed Elizabeth J. Cabraser to the

Plaintiffs' Management Committee which organized and directed the Fen-Phen diet drugs litigation filed across the nation in federal courts. In August 2000, the Court approved a \$4.75 billion settlement offering both medical monitoring relief for persons exposed to the drug and compensation for persons with qualifying damage. Lieff Cabraser also served on the Plaintiffs' Executive Committee in the California Coordinated Proceedings in California state court, and as class counsel in the State of Washington certified medical monitoring action.

4. ***In re ConAgra Peanut Butter Products Liability Litigation***, MDL No. 1845 (N.D. Ga.). In September 2007, the federal court appointed Elizabeth Cabraser as Plaintiffs' Lead Counsel in the litigation arising out of the recall of Peter Pan and Great Value peanut butter. Tens of thousands of consumers nationwide contracted *Salmonella* poisoning from eating contaminated peanut butter produced at a single ConAgra plant in Sylvester, Georgia. In February 2007, the FDA confirmed the presence of *Salmonella* in opened jars of Peter Pan and Great Value peanut butter obtained from inflected persons.
5. ***In re Vioxx Products Liability Litigation***, MDL No. 1657 (E.D. La.). Lieff Cabraser represents patients that suffered heart attacks or strokes, and the families of loved ones who died, after having been prescribed the arthritis and pain medication Vioxx. In individual personal injury lawsuits against Merck, the manufacturer of Vioxx, our clients allege that Merck falsely promoted the safety of Vioxx and failed to disclose the full range of the drug's dangerous side effects. In April 2005, in the federal multidistrict litigation, the Court appointed Elizabeth J. Cabraser to the Plaintiffs' Steering Committee, which has the responsibility of conducting all pretrial discovery of Vioxx cases in Federal court and pursuing all settlement options with Merck. In August 2006, Lieff Cabraser was co-counsel in *Barnett v. Merck*, tried in the federal Court in New Orleans. Lieff Cabraser attorneys Don Arbitblit and Jennifer Gross participated in the trial, working closely with attorneys Mark Robinson and Andy Birchfield. The jury reached a verdict in favor of Mr. Barnett, finding that Vioxx caused his heart attack, and that Merck's conduct justified an award of punitive damages. In November 2007, Merck announced that it has entered into an agreement with the executive committee of the Plaintiffs' Steering Committee as well as representatives of plaintiffs' counsel in state coordinated proceedings. Merck will pay a fixed amount of \$4.85 billion into a settlement fund for qualifying claims already filed against Merck.
6. ***In re ReNu With MoistureLoc Contact Lens Solution Products Liability Litigation***, MDL No. 1785 (D. S.C.). Lieff Cabraser partner Wendy R. Fleishman serves on Plaintiffs' Executive Committee in litigation in federal court arising out of Bausch & Lomb's recall in 2006 of its product ReNu with MoistureLoc. Consumers nationwide allege that the contact lens solution caused *Fusarium keratitis*, a rare and dangerous fungal eye

infection , as well as other serious eye infections because the solution failed to disinfect and cleanse contact lenses, contrary to its claims. Many contact lens wearers were forced to undergo painful corneal transplant surgery to save their vision; others have lost all or part of their vision permanently.

7. ***In re Guidant Implantable Defibrillators Products Liability Litigation***, MDL No. 1708. Lieff Cabraser serves on the Plaintiffs' Lead Counsel Committee in litigation in federal court arising out of the recall of Guidant cardiac defibrillators implanted in patients because of potential malfunctions in the devices. At the time of the recall, Guidant admitted it was aware of 43 reports of device failures, and two patient deaths. Guidant subsequently acknowledged that the actual rate of failure may be higher than the reported rate and that the number of associated deaths may be underreported, since implantable cardio-defibrillators are not routinely evaluated after death. In January 2008, the parties reached a global settlement of the action. Guidant's settlements of defibrillator-related claims will total \$240 million.
8. ***Fallquist et al. v. Advanced Medical Optics and Allergan***, No. SC 096041 (Los Angeles Super. Ct.); ***Martin et al v. Advanced Medical Optics and Allergan***, No. KC 051267H (Los Angeles Super. Ct.). Lieff Cabraser represents 20 consumers nationwide in two separate consolidated personal injury lawsuits filed against Advanced Medical Optics in August and November of 2007. AMO's Complete MoisturePlus Multi Purpose Contact Lens Solution was recalled in May 2007 due to reports of a link between a rare, but serious eye infection, *Acanthamoeba keratitis*, caused by a parasite and use of AMO's contact lens solution. Plaintiffs charge that though AMO aggressively promoted Complete MoisturePlus Multi Purpose as "effective against the introduction of common ocular microorganisms," the lens solution was ineffective and vastly inferior to other multipurpose solutions on the market. Plaintiffs were forced to undergo painful corneal transplant surgery to save their vision and some have lost all or part of their vision permanently.
9. ***Luisi et al. v. Medtronic Inc.***, No. 07 CV 4250 (D. Minn.). Lieff Cabraser currently represents over a hundred heart patients nationwide who were implanted with recalled Sprint Fidelis defibrillator leads manufactured by Medtronic Inc. Plaintiffs charge that Medtronic has misrepresented the safety of the Sprint Fidelis leads and a defect in the device triggered their receiving massive, unnecessary electrical shocks.
10. ***In re Bextra/Celebrex Marketing Sales Practices and Products Liability Litigation***, MDL 1699. Lieff Cabraser serves as Plaintiffs' Liaison Counsel to oversee and direct all personal injury and consumer litigation now pending in Federal courts nationwide arising out of the sale and marketing of the COX-2 inhibitors Bextra, Celebrex, and Parecoxib

manufactured by Pfizer, Inc and its predecessor companies Pharmacia Corporation and G.D. Searle, Inc. In this ongoing litigation, over 2,500 individuals have brought personal injury claims, and hundreds more individuals and institutions allege that Bextra, Celebrex, and Percoxib were marketed deceptively. In addition to serving as Liaison Counsel, Lieff Cabraser is also directly representing patients injured by Bextra, Celebrex, and Parecoxib.

11. ***Blood Factor VIII And Factor IX Litigation.*** Working with counsel in Asia, Europe, Central and South America and the Middle East, Lieff Cabraser represents hundreds of hemophiliacs worldwide, or their survivors and estates, who contracted HIV and/or Hepatitis C (HCV), and Americans with hemophilia who contracted HCV, from contaminated and defective blood factor products produced by American pharmaceutical companies. In 2004, Lieff Cabraser was appointed Plaintiffs' Lead Counsel of the "second generation" Blood Factor MDL litigation presided over by Judge Grady in the Northern District of Illinois. This groundbreaking litigation follows upon a two-month trial directed by Richard M. Heimann in 2003 in California state court on behalf of a person with hemophilia who is HIV-positive.
12. ***Sulzer Hip and Knee Implants Litigation.*** In December 2000, Sulzer Orthopedics, Inc., announced the recall of approximately 30,000 units of its Inter-Op Acetabular Shell Hip Implant, followed in May 2001 with a notification of failures of its Natural Knee II Tibial Baseplate Knee Implant. In coordinated litigation in California state court, *In re Hip Replacement Cases*, JCCP 4165, Lieff Cabraser served as Court-appointed Plaintiffs' Liaison Counsel and Co-Lead Counsel. In the federal litigation, *In re Sulzer Hip Prosthesis and Knee Prosthesis Liability Litigation*, MDL 1410, Lieff Cabraser played a significant role in negotiating a revised settlement with Sulzer valued at more than \$1 billion. In May 2002, the Court granted final approval to the revised settlement. Lieff Cabraser serves as Class Counsel for Subclass V of the settlement (class members with unrevised reprocessed Inter-Op shells).
13. ***In re Baycol Products Litigation***, MDL No. 1431 (D. Minn.). Baycol was one of a group of drugs called statins, intended to reduce cholesterol. In August 2001, Bayer A.G. and Bayer Corporation, the manufacturers of Baycol, withdrew the drug from the worldwide market based upon reports that Baycol was associated with serious side effects and linked to the deaths of over 100 patients worldwide. In the federal multi-district litigation, Lieff Cabraser serves as a member of the Plaintiffs' Steering Committee (PSC) and the Executive Committee of the PSC. In addition, Lieff Cabraser represented approximately 200 Baycol patients who have suffered injuries or family members of patients who died allegedly as a result of ingesting Baycol. In these cases, our clients reached confidential favorable settlements with Bayer.

14. ***In re Silicone Gel Breast Implants Products Liability Litigation***, MDL No. 926 (N.D. Ala.). Lieff Cabraser serves on the Plaintiffs' Steering Committee and was one of five members of the negotiating committee which achieved a \$4.25 billion global settlement with certain defendants of the action. This was renegotiated in 1995, and is referred to as the Revised Settlement Program ("RSP"). Over 100,000 recipients have received initial payments, reimbursement for the explantation expenses and/or long term benefits.
15. ***In re Electronics Pacing Systems Inc., Accufix Atrial "J" Leads Products Liability Litigation***, MDL No. 1057 (S.D. Ohio). Lieff Cabraser served on the court-appointed Plaintiffs' Steering Committee in a nationwide products liability action alleging that defendants placed into the stream of commerce defective pacemaker leads. In April 1997, the district court re-certified a nationwide class of "J" Lead implantees with subclasses for the claims of medical monitoring, negligence and strict product liability. A summary jury trial utilizing jury instructions and interrogatories designed by Lieff Cabraser occurred in February 1998. A partial settlement was approved thereafter by the district court, but reversed by the Court of Appeals. In March 2001, the district court approved a renewed settlement that included a \$58 million fund to satisfy all past, present and future claims by patients for their medical care, injuries, or damages arising from the lead.
16. ***In re Felbatol Products Liability Litigation***, MDL No. 1048 (N.D. Cal.). Lieff Cabraser served as Co-Lead Class Counsel and Plaintiffs' Liaison Counsel in this nationwide litigation asserting medical monitoring, compensatory and punitive damages claims on behalf of 100,000 users of the anti-epilepsy drug Felbatol, who alleged present and potential injuries from its serious adverse effects, including liver failure and aplastic anemia. The nationwide Plaintiff class was certified in 1995; certification was vacated for further findings by the Ninth Circuit in *Valentino v. Carter-Wallace*, 97 F.3d 1277 (9th Cir. 1996), which affirmed the viability of nationwide mass tort class actions. In 1997, the litigation was settled favorably on behalf of all major injury claimants.
17. ***In re Cordis Pacemaker Product Liability Litigation***, MDL No. 850 (S.D. Ohio). Lieff Cabraser represented a certified nationwide class of Cordis pacemaker recipients on personal injury, emotional distress, fraud, equitable relief, and pacemaker explant compensation claims. In 1995, shortly before trial, Lieff Cabraser negotiated and obtained Court approval of a \$21 million settlement of the action.
18. ***In re Copley Pharmaceutical, Inc., "Albuterol" Products Liability Litigation***, MDL No. 1013 (D. Wyo.). Lieff Cabraser served on the Plaintiffs' Steering Committee in a class action lawsuit against Copley Pharmaceutical, which manufactured Albuterol, a bronchodilator

prescription pharmaceutical. Albuterol was the subject of a nationwide recall in January 1994 after a microorganism was found to have contaminated the solution, allegedly causing numerous injuries including bronchial infections, pneumonia, respiratory distress and, in some cases, death. In October 1994, the district court certified a nationwide class on liability issues. *In re Copley Pharmaceutical*, 161 F.R.D. 456 (D. Wyo. 1995). In November 1995, the district court approved a \$150 million settlement of the litigation.

B. Securities and Investment Fraud

1. ***In re Scorpion Technologies, Inc. Securities Litigation I***, No. C-93-20333-EAI (N.D. Cal.); ***Dietrich v. Bauer***, No. C-95-7051-RWS (S.D.N.Y.); ***Claghorn v. Edsaco***, No. 98-3039-SI (N.D. Cal.). Lieff Cabraser served as Co-Lead Counsel in class action suits arising out of an alleged fraudulent scheme by Scorpion Technologies, Inc., certain of its officers, accountants, underwriters and business affiliates to inflate the company's earnings through reporting fictitious sales. In *Scorpion I*, the Court found plaintiffs had presented sufficient evidence of liability under Federal securities acts against the accounting firm Grant Thornton for the case to proceed to trial. *In re Scorpion Techs.*, 1996 U.S. Dist. LEXIS 22294 (N.D. Cal. Mar. 27, 1996). In 1988, the court approved a \$5.5 million settlement with Grant Thornton. In 2000, the Court approved a \$950,000 settlement with Credit Suisse First Boston Corporation. In April 2002, a federal jury in San Francisco, California returned a \$170.7 million verdict against Edsaco Ltd. The jury found that Edsaco aided Scorpion in setting up phony European companies as part of scheme in which Scorpion reported fictitious sales of its software to these companies, thereby inflating its earnings. Included in the jury verdict, one of the largest verdicts in a securities fraud suit in the U.S. in 2002, was \$165 million in punitive damages. Richard M. Heimann conducted the trial for plaintiffs.

Following the *Edsaco* trial, the parties reached a settlement of the action on favorable monetary terms to the class, which included Edsaco's relinquishment of its right to appeal and the plaintiff's agreement to vacate the jury verdict. On June 14, 2002, U.S. District Court Judge Susan Illston commented on Lieff Cabraser's representation: "[C]ounsel for the plaintiffs did a very good job in a very tough situation of achieving an excellent recovery for the class here. You were opposed by extremely capable lawyers. It was an uphill battle. There were some complicated questions, and then there was the tricky issue of actually collecting anything in the end. I think based on the efforts that were made here that it was an excellent result for the class... [T]he recovery that was achieved for the class in this second trial is remarkable, almost a hundred percent."

2. *Merrill Lynch Fundamental Growth Fund and Merrill Lynch Global Value Fund, Inc., v. McKesson HBOC, Inc., et al.*, No. 02-405792 (Cal. Supr. Ct.). Lieff Cabraser served as counsel for two Merrill Lynch mutual funds in a private lawsuit filed alleging that a massive accounting fraud occurred at HBOC & Company ("HBOC") before and following its 1999 acquisition by McKesson Corporation ("McKesson"). The funds charged that defendants, including the former CFO of McKesson HBOC, the name McKesson adopted after acquiring HBOC, artificially inflated the price of securities in McKesson HBOC, through misrepresentations and omissions concerning the financial condition of HBOC, resulting in approximately \$150 million in losses for plaintiffs. In a significant discovery ruling in 2004, the California Court of Appeal held that defendants waived the attorney-client and work product privileges in regard to an audit committee report and interview memoranda prepared in anticipation of shareholder lawsuits by disclosing the information to the U.S. Attorney and SEC. *McKesson HBOC, Inc. v. Supr. Court*, 115 Cal. App. 4th 1229 (2004). In October 2005, the parties entered into a settlement on favorable terms to Merrill Lynch Funds.

3. *Alaska State Department of Revenue, et al. v. America Online, Inc., et al.*, No. 1JU-04-503 (Alaska Supr. Ct.). In December 2006, a \$50 million settlement was reached in a securities fraud action brought by the Alaska State Department of Revenue, Alaska State Pension Investment Board and Alaska Permanent Fund Corporation against defendants America Online, Inc. ("AOL"), Time Warner Inc. (formerly known as AOL Time Warner ("AOLTW")), Historic TW Inc. When the action was filed, the Alaska Attorney General estimated the losses at \$70 million. The lawsuit, filed in 2004 in Alaska State Court, alleged that defendants misrepresented advertising revenues and growth of AOL and AOLTW along with the number of AOL subscribers, all of which was intended to, and did, artificially inflate the stock price of AOL and AOLTW to the detriment of Alaska State funds.

The Alaska Department of Law retained Lieff Cabraser to lead the litigation efforts under its direction. "We appreciate the diligence and expertise of our counsel in achieving an outstanding resolution of the case," said Mark Morones, spokesperson for the Department of Law, following announcement of the settlement.

4. *In re Qwest Communications International, Inc. Securities and "ERISA" Litigation (No. II)*, No. 06-cv-17880-REB-PAC (MDL No.1788) (D. Colo.). We represent the New York State Common Retirement Fund, Fire and Police Pension Association of Colorado, Denver Employees' Retirement Plan, San Francisco Employees' Retirement System, and over thirty separate mutual funds in individual securities fraud actions filed in federal court against Qwest Communications International, Inc., Philip F. Anschutz, former co-

chairman of the Qwest board of directors and other senior executives at Qwest as well as Arthur Andersen LLP. In each action, defendants are charged with significantly overstating Qwest's publicly-reported growth, revenues, earnings, and earnings per share from 1999 through 2002. Defendants' unlawful conduct served to maintain Qwest's common share price at artificially high levels and enabled the individual defendants to sell Qwest common shares at inflated values.

5. ***In re Broadcom Corporation***, No. CV 06-3252-R (C.D. Cal.). Lieff Cabraser serves as court-appointed Lead Counsel in a stockholders' derivative action against the board of directors of Broadcom Corporation. The suit alleges defendants intentionally manipulated their stock option grant dates between 1997 and at least the end of 2002 in order to enrich themselves at the expense of Broadcom and Broadcom shareholders. By making it seem as if stock option grants occurred on dates when Broadcom stock was trading at a comparatively low per share price, Broadcom executives were able to exercise their stock option grants at exercise prices that were lower than the fair market value of Broadcom stock on the day the options were actually granted. Plaintiffs have defeated defendants' motions to dismiss and the case is in discovery.
6. ***In re Brooks Automation, Inc. Securities Litigation***, No. 06 CA 11068 (D. Mass.). Lieff Cabraser serves as Court-Appointed Lead Counsel for Lead Plaintiff the Los Angeles County Employees Retirement Association and co-plaintiff Sacramento County Employees' Retirement System in a class action lawsuit on behalf of all persons who purchased securities of Brooks Automation between July 25, 2001 and August 1, 2006. Plaintiff charges that Brooks Automation ("Brooks" or the "Company") and its senior corporate officers and directors violated federal securities laws by participating in a scheme to backdate Company stock options over a six year period for the purpose of increasing the value of the stock options to recipients, without disclosing the corresponding compensation charge in the Company's publicly filed financial statements. Subsequent to Lieff Cabraser's filing of a consolidated amended complaint in this action, both the Securities and Exchange Commission and the United States Department of Justice filed complaints against the Company's former C.E.O., Robert Therrien, related to the same alleged practices. The Court preliminarily approved a \$7.75 million settlement of this class action in June 2008.
7. ***In re Cablevision Systems Corp. Shareholder Derivative Litig.***, No. 06-cv-4130-DGT-AKT (E.D.N.Y.). Lieff Cabraser serves as Co-Lead Counsel in a shareholders' derivative action against the board of directors and numerous officers of Cablevision. The suit alleges that defendants intentionally manipulated stock option grant dates to Cablevision employees between 1997 and 2002 in order to enrich certain officer and director defendants at the expense of Cablevision and Cablevision

shareholders. According to the complaint, Defendants made it appear as if stock options were granted earlier than they actually were in order to maximize the value of the grants. In June 2008, the Court preliminarily approved a \$34.4 million settlement that will dispose of plaintiffs' claims. \$24.4 million of the proposed settlement amount is to be contributed directly by individual defendants who are alleged either to have received backdated options themselves or to have otherwise participated in or approved of the backdating activity. A final approval hearing will take place in September 2008.

8. *BlackRock Global Allocation Fund, Inc., et al. v. Tyco International Ltd., et al.*, Case No. 2:08-cv-519 (D. N.J.); *Nuveen Balanced Municipal and Stock Fund, et al. v. Tyco International Ltd., et al.*, Case No. 2:08-cv-518 (D. N.J.). Lieff Cabraser represents multiple funds of the investment firms BlackRock Inc. and Nuveen Asset Management in separate, direct securities fraud actions against Tyco International Ltd., Tyco Electronics Ltd., Covidien Ltd, Covidien (U.S.), L. Dennis Kozlowski, Mark H. Swartz, and Frank E. Walsh, Jr. Plaintiffs allege that defendants engaged in a massive criminal enterprise that combined the theft of corporate assets with fraudulent accounting entries that concealed Tyco's financial condition from investors. As a result, Plaintiffs purchased Tyco common stock and other Tyco securities at artificially inflated prices and suffered losses upon disclosures revealing Tyco's true financial condition and defendants' misconduct.
9. *Albert, et al. v. Alex. Brown Management Services, Inc., et al.; Baker, et al. v. Alex. Brown Management Services, Inc., et al.* (Del. Ch. Ct.). In May 2004, on behalf of investors in two investment funds controlled, managed and operated by Deutsche Bank and advised by DC Investment Partners, Lieff Cabraser filed lawsuits for alleged fraudulent conduct that resulted in an aggregate loss of hundreds of millions of dollars. The suits named as defendants Deutsche Bank and its subsidiaries Alex Brown Management Services and Deutsche Bank Securities, members of the funds' management committee, as well as DC Investments Partners and two of its principals. Among the plaintiff-investors were 70 high net worth individuals. In the fall of 2006, the cases settled by confidential agreement.
10. *Kofuku Bank Ltd. and Namihaya Bank Ltd. v. Republic New York Securities Corp., et al.*, No. 00 CIV 3298 (S.D.N.Y.); and *Kita Hyogo Shinyo-Kumiai v. Republic New York Securities Corp., et al.*, No. 00 CIV 4114 (S.D.N.Y.). Lieff Cabraser represented Kofuku Bank, Namihaya Bank and Kita Hyogo Shinyo-Kumiai (a credit union) in individual lawsuits against, among others, Martin A. Armstrong and HSBC, Inc., the successor-in-interest to Republic New York Corporation, Republic New York Bank and Republic New York Securities Corporation for alleged violations of federal securities and racketeering laws. In December 2001, the claims of our clients and those of the other Princeton Note investors were settled. As part of the settlement, our clients recovered more than \$50 million, which represented 100% of the value of their principal investments less money they received in interest or other payments.

The jury found that First Alliance systematically defrauded borrowers, and that Lehman Brothers aided and abetted the fraudulent scheme. The lawsuit, filed in California state court, arises out of Peregrine’s August 2001 acquisition of Remedy. Plaintiffs charge that they were induced to exchange their Remedy stock for Peregrine stock on the basis of false and misleading representations made by defendants. Within months of the Remedy acquisition, Peregrine began to reveal to the public that it had grossly overstated its revenue during the years 2000-2002, and eventually restated more than \$500 million in revenues.

And they have a very excellent reputation for the conduct of these kinds of cases and their experience and views . . .”

Lieff Cabraser served as Liaison Counsel for the Colorado Public Employees' Retirement Association and the California State Teachers' Retirement System, and the class they represented. Prior to 2001, the Court approved \$19 million in settlements. In May 2001, the Court approved an additional settlement of \$12 million, which, combined with the earlier settlements, provided class members an almost complete return on their losses. The settlement with the company included multi-million dollar contributions by the former Chairman of the Board and Chief Executive Officer.

Commenting in 2001 on Lieff Cabraser's work in *Cal Micro Devices*, U.S. District Court Judge Vaughn R. Walker stated, “It is highly unusual for a class action in the securities area to recover anywhere close to the percentage of loss that has been recovered here, and counsel and the lead plaintiffs have done an admirable job in bringing about this most satisfactory conclusion of the litigation.” One year later, in a related proceeding and in response to the statement that the class had received nearly a 100% recovery, Judge Walker observed, “That's pretty remarkable. In these cases, 25 cents on the dollar is considered to be a magnificent recovery, and this is [almost] a hundred percent.”

By 1998, the Court had approved several partial settlements with many of Media Vision's officers and directors, accountants and underwriters which totaled \$31 million. The settlement proceeds have been distributed to eligible class members. The evidence that Lieff Cabraser developed in the civil case led prosecutors to commence an investigation and ultimately file criminal charges against Media Vision's former Chief Executive Officer and Chief Financial Officer. The civil action against Media Vision's CEO and CFO was stayed pending the criminal proceedings against them. In the criminal proceedings, the CEO pled guilty on several counts, and the CFO was convicted at trial. In October, 2003, the Court granted

Plaintiffs' motions for summary judgment and entered a judgment in favor of the class against these two defendants in the amount of \$188 million.

The class was certified in January 1995. In January 1998, the court approved a \$87.5 million settlement of the action that included comprehensive injunctive relief over the term of a five-year Consent Decree. Under the terms of the settlement, Home modified its hiring, promotion, and compensation practices to ensure that interested and qualified women were hired for, and promoted to, sales and management positions.

On January 14, 1998, U.S. District Judge Susan Illston commented that the settlement provides "a very significant monetary payment to the class members for which I think they should be grateful to their counsel... Even more significant is the injunctive relief that's provided for . . ." By 2003, the injunctive relief had created thousands of new job opportunities in sales and management positions at Home Depot, generating the equivalent of over approximately \$100 million per year in wages for female

employees.

In 2002, Judge Illston stated that the injunctive relief has been a “win/win . . . for everyone, because . . . the way the Decree has been implemented has been very successful and it is good for the company as well as the company’s employees.”

In January and May 2005, the court entered judgments totaling \$52.5 million against Farmers, the largest judgments ever entered in as the result of the trial of a Fair Labor Standards Act (“FLSA”) trial. 7. ***In re Tri-State Crematory Litigation***, MDL No. 1467 (N.D. Ga.). In March 2004, Lieff Cabraser delivered opening statements and began testimony in a class action by families whose loved ones were improperly cremated and desecrated by Tri-State Crematory in Noble, Georgia. The families also asserted claims against the funeral homes that delivered the decedents to Tri-State Crematory for failing to ensure that the crematory performed cremations in the manner required under the law and by human decency. One week into trial, settlements with the remaining funeral home defendants were reached and brought the settlement total to approximately \$37 million. Trial on the class members' claims against the operators of crematory began in August 2004. Soon thereafter, these defendants entered into a \$80 million settlement with plaintiffs. As part of the settlement, all buildings on the Tri-State property were razed. The property will remain in a trust so that it will be preserved in peace and dignity as a secluded memorial to those whose remains were mistreated,

and to prevent crematory operations or other inappropriate activities from ever taking place there. Earlier in the litigation, the Court granted plaintiffs' motion for class certification in a published order. 215 F.R.D. 660 (2003).

8. ***Morris v. AT&T Wireless Services***, No. C-04-1997-MJP (W.D. Wash.). Lieff Cabraser served as class counsel for a nationwide settlement class of cell phone customers subjected to an end of billing cycle cancellation policy implemented by AT&T Wireless in 2003 and alleged to have breached customers' service agreements. In May 2006, the New Jersey Superior Court granted final approval to a class settlement that guarantees delivery to the class of \$40 million in benefits. Class members received cash-equivalent calling cards automatically, and had the option of redeeming them for cash. Lieff Cabraser had been prosecuting the class claims in the Western District of Washington when a settlement in New Jersey state court was announced. Lieff Cabraser objected to that settlement as inadequate because it would have only provided \$1.5 million in benefits without a cash option, and the court agreed, declining to approve it. Thereafter, Lieff Cabraser negotiated the new settlement providing \$40 million to the class, and the settlement was approved.
9. ***Estate of Holman, et al. v. Noble Energy, Inc.***, No. 03 CV 9 (Dist. Ct., Weld County, Colorado). Lieff Cabraser served as Co-Lead Counsel for a class of royalty owners with mineral interests in Colorado. Plaintiffs alleged that Noble Energy and Patina, its predecessor company, underpaid Class members for natural gas production royalties in violation of state law. In June 2007, the Court granted preliminary approval to a \$53 million settlement of the action. The settlement also provided for a significant improvement in the calculation of future royalty payments, which were estimated to benefit the Class an additional \$50 million.
10. ***Strugano v. Nextel Communications, Inc.***, No. BC 288359 (Los Angeles Supr. Crt). In May 2006, the Los Angeles Superior Court granted final approval to a class action settlement on behalf of all California customers of Nextel from January 1, 1999 through December 31, 2002, for compensation for the harm caused by Nextel's alleged unilateral (1) addition of a \$1.15 monthly service fee and/or (2) change from second-by-second billing to minute-by-minute billing, which caused "overage" charges (*i.e.*, for exceeding their allotted cellular plan minutes). The total benefit conferred by the Settlement directly to Class Members was between approximately \$13.5 million and \$55.5 million, depending on which benefit Class Members selected. Class Counsel secured these benefits for a Class of approximately 308,000 customers with 1.1 million cell phone plans.
11. ***Thompson, et al. v. WFS Financial, Inc.***, No. 3-02-0570 (M.D. Tenn.); ***Pakeman, et al. v. American Honda Finance Corporation***, No. 3-02-

0490 (M.D. Tenn.); *Herra v. Toyota Motor Credit Corporation*, No. CGC 03-419 230 (San Francisco Supr. Ct.). For the past five years, Lieff Cabraser with co-counsel litigated against several of the largest automobile finance companies in the country to compensate victims of – and stop future instances of – racial discrimination in the setting of interest rates in automobile finance contracts. The litigation led to substantial changes in the way Toyota Motor Credit Corporation (“TMCC”), American Honda Finance Corporation (“American Honda”) and WFS Financial, Inc., sell automobile finance contracts, limiting the discrimination that can occur.

TMCC, American Honda and WFS Financial allow independent automobile dealers to add a discretionary markup (often several percentage points) to the objective, credit-based interest rates determined by the finance company. Plaintiffs charged that African-American and Latino customers paid more in finance charges than similarly situated non-minority customers due to the practice by TMCC, American Honda and WFS Financial of allowing dealers to increase, or “mark up,” a customer’s Annual Percentage Rate (“APR”) on contracts. The discretionary markup amounts were not based on objective credit-worthiness information, but were wholly subjective. Statistical analyses showed that the discretionary markups had a disparate impact on African American and Latino customers.

In the nationwide class action litigation against TMCC, American Honda and WFS Financial, the respective parties entered into landmark settlements for African American and Latino consumers which collectively provided:

- Cash or credit payments of up to \$400 per class member.
- Broad refinancing programs reducing rates charged to existing African-American and Latino customers whose markups were 1% or more. These benefits were valued at \$1 billion in the WFS Financial case alone.
- New pre-approved offers of credit (that cannot be marked up) to 1.5 million African American and Latino consumers.
- Limits on discretionary markups on new loans of 1.75% to 2.50% (depending on the length of the loan). This compression of the discretionary range substantially reduced the likelihood that any markups in the future will occur as the result of racial discrimination.

- New disclosures on all contracts explaining that the interest rate may be negotiable.
- Donations of \$1.9 million to non-profit organizations involved in consumer education and assistance.

In approving the settlement in *Thompson v. WFS Financial*, the Court recognized the “innovative” and “remarkable settlement” achieved on behalf of the nationwide class. In 2006 in *Herra v. Toyota Motor Credit Corporation*, the Court granted final approval to a nationwide class action settlement on behalf of all African-American and Hispanic customers of TMCC who entered into retail installment contracts that were assigned to TMCC from 1999 to 2006. The monetary benefit to the class was estimated to be between \$159 and \$174 million.

In November 2001, the Court granted final approval to a \$105 million settlement of the case, which also required Providian to implement substantial changes in its business practices. The settlements brought a total of \$50 million in restitution to California consumers, including cash payments. The defendant companies include Lawyers’ Title, Commonwealth Land Title, Stewart Title of California, First American Title, Fidelity National Title, and Chicago Title.

F. Non-Personal Injury Defective Products

- 1. ***Richison v. American Cemwood Corp.***, No. 005532 (San Joaquin Supr. Ct., Cal.). Lieff Cabraser served as Co-lead Class Counsel for an estimated nationwide class of 30,000 owners of homes and other structures on which defective Cemwood Shakes were installed. In November 2003, the Court granted final approval to a \$75 million Phase 2 settlement in the American Cemwood roofing shakes national class action litigation. This amount was in addition to a \$65 million partial settlement approved by the Court in May 2000, and brought the litigation to a conclusion. The claims period runs through 2015.
- 2. ***Williams v. Weyerhaeuser***, No. 995787 (San Francisco Supr. Ct.). Lieff Cabraser served as Class Counsel on behalf of a nationwide class of hundreds of thousands or millions of owners of homes and other structures

with defective Weyerhaeuser hardboard siding. A California-wide class was certified for all purposes in February 1999, and withstood writ review by both the California Court of Appeal and Supreme Court of California. In 2000, the Court granted final approval to a nationwide settlement of the case which provides class members with compensation for their damaged siding, based on the cost of replacing or, in some instances, repairing, damaged siding. The settlement has no cap, and requires Weyerhaeuser to pay all timely, qualified claims over a nine year period. The claims program is underway and paying claims.

3. ***Foothill/DeAnza Community College District v. Northwest Pipe Company***, No. C-00-20749 (N.D. Cal.). In June 2004, the court approved the creation of a settlement fund of up to \$14.5 million for property owners nationwide with Poz-Lok fire sprinkler piping that fails. Since 1990, Poz-Lok pipes and pipe fittings were sold in the U.S. as part of fire suppression systems for use in residential and commercial buildings. After leaks in Poz-Lok pipes caused damage to its DeAnza Campus Center building, Foothill/DeAnza Community College District in California retained Lieff Cabraser to file a class action lawsuit against the manufacturers of Poz-Lok. The college district charged that Poz-Lok pipe had manufacturing and design defects that resulted in the premature corrosion and failure of the product. Under the settlement, owners whose Poz-Lok pipes are leaking today, or over the next 15 years, may file a claim for compensation.
4. ***Toshiba Laptop Screen Flicker Settlement***. Lieff Cabraser negotiated a settlement with Toshiba America Information Systems, Inc. (“TAIS”) to provide relief for owners of certain Toshiba Satellite 1800 Series, Satellite Pro 4600 and Tecra 8100 personal notebook computers whose screens flickered, dimmed or went blank due to an issue with the FL Inverter Board component. Under the terms of the Settlement, owners of affected computers who paid to have the FL Inverter issue repaired by either TAIS or an authorized TAIS service provider recovered the cost of that repair, up to \$300 for the Satellite 1800 Series and the Satellite Pro 4600 personal computers, or \$400 for the Tecra 8100 personal computers. TAIS also agreed to extend the affected computers’ warranties for the FL Inverter issue by 18 months.
5. ***ABS Pipe Litigation***, JCCP No. 3126 (Contra Costa County Supr. Ct., Cal.). Lieff Cabraser served as Lead Class Counsel on behalf of property owners whose ABS plumbing pipe was allegedly defective and caused property damage by leaking. Six separate class actions were filed in California against five different ABS pipe manufacturers, numerous developers of homes containing the ABS pipe, as well as the resin supplier and the entity charged with ensuring the integrity of the product. Between 1998 and 2001, we achieved 12 separate settlements in the class actions and related individual lawsuits for approximately \$78 million.

Commenting on the work of Lieff Cabraser and co-counsel in the case, California Superior Court (now appellate) Judge Mark B. Simons stated on May 14, 1998: "The attorneys who were involved in the resolution of the case certainly entered the case with impressive reputations and did nothing in the course of their work on this case to diminish these reputations, but underlined, in my opinion, how well deserved those reputations are."

6. ***McManus, et al. v. Fleetwood Enterprises, Inc.***, No. SA-99-CA-464-FB (W.D. Tex.). Lieff Cabraser served as Class Counsel on behalf of original owners of 1994-2000 model year Fleetwood Class A and Class C motor homes. In 2003, the Court approved a settlement that resolved lawsuits pending in Texas and California about braking while towing with 1994 Fleetwood Class A and Class C motor homes. The lawsuits alleged that Fleetwood misrepresented the towing capabilities of new motor homes it sold, and claimed that Fleetwood should have told buyers that a supplemental braking system is needed to stop safely while towing heavy items, such as a vehicle or trailer. The settlement paid \$250 to people who bought a supplemental braking system for Fleetwood motor homes that they bought new.
7. ***Cox v. Shell***, No. 18,844 (Obion County Chancery Ct., Tenn.). Lieff Cabraser served as Class Counsel on behalf of a nationwide class of approximately 6 million owners of property equipped with defective polybutylene plumbing systems and yard service lines. In November 1995, the Court approved a settlement involving an initial commitment by Defendants of \$950 million in compensation for past and future expenses incurred as a result of pipe leaks, and to provide replacement pipes to eligible claimants. The settlement claims program will continue past 2010, under the continuing supervision of the trial court.
8. ***Naef v. Masonite***, No. CV-94-4033 (Mobile County Circuit Ct., Ala.). Lieff Cabraser Heimann & Bernstein served as Class Counsel on behalf of a nationwide Class of an estimated 4 million homeowners with allegedly defective hardboard siding manufactured and sold by Masonite Corporation, a subsidiary of International Paper, on their homes. The Class was certified in November 1995, and the Alabama Supreme Court twice denied extraordinary writs seeking to decertify the Class, including in *Ex Parte Masonite*, 681 So. 2d 1068 (Ala. 1996). A month-long jury trial in 1996 established the factual predicate that Masonite hardboard siding was defective under the laws of most states. The case settled on the eve of a second Class-wide trial, and in January 1998, the Court approved a Class Settlement. Under the Settlement, Class members with failing Masonite hardboard siding installed and incorporated in their property between January 1, 1980 and January 15, 1998 can make claims through 2008 and have their homes evaluated by independent inspectors. Class

members with qualifying damage to their siding recover damages associated with the siding. To date, the Settlement has paid out over \$750 million to homeowners across the country, and claims continue to be made and paid.

9. ***Lundell v. Dell***, No. C05-03970 (N.D. Cal.). Lieff Cabraser served as Lead Class Counsel for consumers who experienced power problems with the Dell Inspiron 5150 notebook. In December 2006, the Court granted final approval to a settlement of the class action which extended the one-year limited warranty on the notebook for a set of repairs related to the power system. In addition, class members that paid Dell or a third party for repair of the power system of their notebook were entitled to a 100% cash refund from Dell.
10. ***Kan v. Toshiba American Information Systems***, No. BC327273 (Los Angeles Super. Ct.). Lieff Cabraser served as Co-Lead Counsel for a class of all end-user persons or entities who purchased or otherwise acquired in the United States, for their own use and not for resale, a new Toshiba Satellite Pro 6100 Series notebook. Consumers alleged a series of defects were present in the notebook. In 2006, the Court approved a settlement that extended the warranty for all Satellite Pro 6100 notebooks, provided cash compensation for certain repairs, and reimbursed class members for certain out-of-warranty repair expenses.
11. ***In re Louisiana-Pacific Inner-Seal Siding Litigation***, No. C-95-879-JO (D. Or.). Lieff Cabraser served as Co-Lead Class Counsel on behalf of a nationwide class of homeowners with defective exterior siding on their homes. Plaintiffs asserted claims for breach of warranty, fraud, negligence, and violation of consumer protection statutes. On April 26, 1996, U.S. District Judge Robert E. Jones entered an Order, Final Judgment and Decree granting final approval to a nationwide settlement requiring Louisiana-Pacific to provide funding up to \$475 million to pay for inspection of homes and repair and replacement of failing siding over the next seven years.
12. ***In re Intel Pentium Processor Litigation***, No. CV 745729 (Santa Clara Supr. Ct., Cal.). Lieff Cabraser served as one of two court appointed Co-Lead Class Counsel, and negotiated a settlement, approved by the Court in June 1995, involving both injunctive relief and damages having an economic value of approximately \$1 billion. The chip replacement program has been implemented, and is ongoing.
13. ***Gross v. Mobil***, No. C 95-1237-SI (N.D. Cal.). Lieff Cabraser served as Plaintiffs' Class Counsel in this nationwide action involving an estimated 2,500 aircraft engine owners whose engines were affected by Mobil AV-1, an aircraft engine oil. Plaintiffs alleged claims for strict liability, negligence, misrepresentation, violation of consumer protection statutes,

and for injunctive relief. Plaintiffs obtained a preliminary injunction requiring Defendant Mobil Corporation to provide notice to all potential class members of the risks associated with past use of Defendants' aircraft engine oil. In addition, Plaintiffs negotiated a proposed Settlement, granted final approval by the Court in November 1995, valued at over \$12.5 million, under which all Class Members were eligible to participate in an engine inspection and repair program, and receive compensation for past repairs and for the loss of use of their aircraft associated with damage caused by Mobil AV-1.

14. ***In re General Motors Corp. Pick-Up Fuel Tank Products Liability Litigation***, MDL No. 961 (E.D. PA). Lieff Cabraser served as court-appointed Co-Lead Counsel representing a class of 4.7 million plaintiffs who owned 1973-1987 GM C/K pickup trucks with allegedly defective gas tanks. The Consolidated Complaint asserted claims under the Lanham Act, the Magnuson-Moss Act, state consumer protection statutes, and common law. In 1995, the Third Circuit vacated the District Court settlement approval order and remanded the matter to the District Court for further proceedings. In July 1996, a new nationwide class action was certified for purposes of an enhanced settlement program valued at a minimum of \$600 million, plus funding for independent fuel system safety research projects. Final approval was granted in November 1996.
15. ***Hanlon v. Chrysler Corp.***, No. C-95-2010-CAL (N.D. Cal.). In 1995, the district court approved a \$200+ million settlement enforcing Chrysler's comprehensive minivan rear latch replacement program, and to correct alleged safety problems with Chrysler's pre-1995 designs. As part of the settlement, Chrysler agreed to replace the rear latches with redesigned latches. The settlement was affirmed on appeal by the Ninth Circuit in *Hanlon v. Chrysler Corp.*, 150 F.3d 1011 (1998).

G. Environmental and Toxic Exposures

1. ***In re Unocal Refinery Litigation***, No. C 94-04141 (Cal. Supr. Ct.). Lieff Cabraser served as one of two Co-Lead Class Counsel and on the Plaintiffs' Steering Committee in this action against Union Oil Company of California ("Unocal") arising from a series of toxic releases from Unocal's San Francisco refinery in Rodeo, California. The action was settled in 1997 on behalf of approximately 10,000 individuals for \$80 million.
2. ***Kentucky Coal Sludge Litigation***. On October 11, 2000, near Inez, Kentucky, a coal waste storage facility ruptured, spilling 300 million gallons of coal sludge (a wet mixture produced by the treatment and cleaning of coal) into waterways in the region and contaminating hundreds of properties. This was one of the worst environmental disasters in the Southeastern United States. With co-counsel, Lieff Cabraser represented

over 400 clients in property damage claims, including claims for diminution in the value of their homes and properties. In April 2003, the parties reached a confidential settlement agreement on favorable terms to the plaintiffs.

3. ***Toms River Childhood Cancer Incidents.*** With co-counsel, Lieff Cabraser represented 69 families in Toms River, New Jersey, each with a child having cancer, that claimed the cancers were caused by environmental contamination in the Toms River area. Commencing in 1998, the parties – the 69 families, Ciba Specialty Chemicals, Union Carbide and United Water Resources, Inc., a water distributor in the area – participated in an unique alternative dispute resolution process, which lead to a fair and efficient consideration of the factual and scientific issues in the matter. In December 2001, under the supervision of a mediator, a confidential settlement favorable to the families was reached.

4. ***In re Exxon Valdez Oil Spill Litigation*** (District of Alaska/Alaska Supr. Ct.). The Exxon Valdez ran aground in March of 1989, spilling 11 million gallons of oil into Prince William Sound. Lieff Cabraser served as one of the court-appointed Plaintiffs' Class Counsel. The class consisted of 32,000 fisherman, Alaska natives, landowners and others whose livelihoods were gravely affected by the disaster. In addition, Lieff served on the Class Trial Team in 1994. A class action jury trial was held in federal court in 1994. That jury awarded \$5 billion in punitive damages to the plaintiff class. The punitive damages award has been on repeated appeal by the Exxon Corporation ever since. In 2001, the Ninth Circuit Court of Appeals ruled that the original \$5 billion punitive damages verdict was excessive. In 2002, U.S. District Court Judge H. Russell Holland reinstated the award at \$4 billion. Judge Holland stated that, "Exxon officials knew that carrying huge volumes of crude oil through Prince William sound was a dangerous business, yet they knowingly permitted a relapsed alcoholic to direct the operation of the Exxon Valdez through Prince William Sound." In 2003, the Ninth Circuit again directed Judge Holland to reconsider the punitive damages award under United States Supreme Court punitive damages guidelines. In January 2004, Judge Holland issued his order finding that Supreme Court authority did not change the Court's earlier analysis. In December 2006, the Ninth Circuit Court of Appeals issued its ruling, setting the punitive damages award at \$2.5 billion. The case remains on appeal.

5. ***West v. G&H Seed Co., Aventis CropSciences USA, LLP, et al.***, No. 99-C-4984-A (La. State Ct). With co-counsel, Lieff Cabraser represented a class of 1,500 Louisiana crawfish farmers. The farmers sued Bayer CropScience LP claiming the pesticide ICON killed their crawfish and caused economic ruin. In 2004, the Court granted approved a \$45 million settlement. The settlement was reached after the parties had presented

nearly a month's worth of evidence at trial, and were on the verge of making closing arguments to the jury.

6. ***Craft v. Vanderbilt University***, Civ. No. 3-94-0090 (M.D. Tenn.). Lieff Cabraser served as Lead Counsel of a certified class of over 800 pregnant women and their children who were intentionally fed radioactive iron without their consent while receiving prenatal care at defendant Vanderbilt's hospital in the 1940's. The facts surrounding the administration of radioactive iron to the pregnant women and their children *in utero* came to light as a result of Energy Secretary Hazel O'Leary's 1993 disclosures of government sponsored human radiation experimentation during the Cold War. Defendants' attempts to dismiss the claims and decertify the class were unsuccessful. The case was settled in July 1998 for a total of \$10.3 million and a formal apology from Vanderbilt.
7. ***In re GCC Richmond Works Cases***, J.C.C.P. No. 2906. Lieff Cabraser served as Co-Liaison Counsel and Lead Class Counsel in coordinated litigation arising out of the release of a massive toxic sulfuric acid cloud which injured an estimated 50,000 residents of Richmond, California on July 26, 1993. The Coordination Trial Court granted final approval to a \$180 million class settlement for exposed residents.
8. ***In re Sacramento River Spill Cases I and II***, J.C.C.P. Nos. 2617 & 2620 (Cal. Supr. Ct.). Lieff Cabraser served as Court-appointed Plaintiffs' Liaison Counsel, Lead Class Counsel, and chaired the Plaintiffs' Litigation Committee in an action arising out of a July 14, 1991 Southern Pacific train derailment and toxic spill near Dunsmuir, California. Settlement proceeds of approximately \$16 million were distributed pursuant to Court approval of a plan of allocation to four certified plaintiff classes: personal injury, business loss, property damage/diminution, and evacuation.

H. Aviation Law

1. ***In re Air Crash near Athens, Greece on August 14, 2005***, MDL No. 1773. On August 14, 2005, a Boeing 737 operating as Helios Airways flight 522 crashed north of Athens, Greece, resulting in the deaths of all passengers and crew. The aircraft was heading from Larnaca, Cyprus to Athens International Airport when ground controllers lost contact with the pilots, who had radioed in to report problems with the air conditioning system. Press reports about the official investigation indicate that a single switch for the pressurization system on the plane was not properly set by the pilots, and eventually both were rendered unconscious, along with most of the passengers and cabin crew. Lieff Cabraser represents the families of several victims, and filed complaints alleging that a series of design defects in the Boeing 737-300 contributed to the pilots' failure to

understand the nature of the problems they were facing. Foremost among those defects was a confusing pressurization warning “horn” which uses the same sound that alerts pilots to improper takeoff and landing configurations. The Judicial Panel on Multidistrict Litigation granted Lieff Cabraser’s motion to consolidate all Helios cases before the U.S. District Court for the Northern District of Illinois in Chicago, where the headquarters of The Boeing Company are located and where Lieff Cabraser filed its clients’ cases.

2. ***Barbosa Garcia et al. v. Excelaire Service, Inc., and Honeywell International, Inc.***, No. CV 06-5964 (E.D. N.Y.). Lieff Cabraser, with co-counsel, represents over twenty families whose loved ones died in the Gol Airlines Flight 1907 crash. On September 29, 2006, a brand-new Boeing 737-800 operated by Brazilian air carrier Gol plunged into the Amazon jungle after colliding with a smaller plane owned by the American company Excelaire Service, Inc. None of the 149 passengers and six crew members on board the Gol flight survived the accident. The complaint charges that the pilots of the ExcelAire jet were flying at an incorrect altitude at the time of the collision, failed to operate the jet’s transponder and radio equipment properly, and failed to maintain communication with Brazilian air traffic control in violation of international civil aviation standards. If the pilots of the ExcelAire aircraft had followed these standards, plaintiffs charge that the collision would not have occurred. At the time of the collision, the ExcelAire aircraft’s transponder manufactured by Honeywell was not functioning. A transponder transmits a plane’s altitude and operates its automatic anti-collision system. The complaint charges that Honeywell shares responsibility for the tragedy because it defectively designed the transponder on the ExcelAire jet, and failed to warn of dangers resulting from foreseeable uses of the transponder.

3. ***In re Air Crash at Lexington, Kentucky, August 27, 2006***, No. 07 CV 006 (E.D. Ky.). A Bombardier CRJ-100 commuter plane operated by Comair, Inc., a subsidiary of Delta Air Lines, crashed on August 27, 2006 shortly after takeoff at Blue Grass Airport in Lexington, Kentucky, killing 47 passengers and two crew members. The aircraft attempted to take off from the wrong runway. Lieff Cabraser and co-counsel represent families of passengers who died on the flight.

4. ***Crash of West Caribbean Airways Flight 708***. On August 16, 2005, a McDonnell Douglas MD-82 operated by West Caribbean Airways lost engine power and crashed near La Cucharita, Venezuela, during a flight from Panama City to Fort de France, Martinique. Martinique is a province of France. A large number of the victims’ families retained French attorneys to represent them. In light of Lieff Cabraser’s work on the Flash Air case (see below), those French attorneys asked Lieff Cabraser to advise them on the substance of U.S. laws which may be applicable to a

claim against The Boeing Company (successor to McDonnell Douglas) or Pratt & Whitney, the manufacturer of the aircraft's engines. Lieff Cabraser now serves in that advisory capacity.

5. ***Crash of Manhattan Tourist Helicopter.*** On June 14, 2005 a Bell 206 helicopter operated by Helicopter Flight Services, Inc. fell into the East River shortly after taking off for a tourist flight over New York City. The pilot and six passengers were immersed upside-down in the water as the helicopter overturned. Lieff Cabraser represents a passenger on the helicopter.
6. ***Crash of "Legend" Aircraft in Tucson, AZ.*** On November 19, 2005, a single engine "Turbine Legend" kit plane operated by its owner crashed shortly after takeoff from a private airstrip in Tucson, Arizona, killing both the owner/pilot and a passenger. Lieff Cabraser represents the widow of the passenger. Witnesses report that the aircraft left the narrow runway during the takeoff roll and although the pilot managed to get the plane airborne, it rolled to the left and crashed. Lieff Cabraser is investigating the liability of the pilot and others, including the manufacturer of the kit and the operator of the airport from which the plane took off. The runway was 16 feet narrower than the minimum width recommended by the Federal Aviation Administration.
7. ***Crash of Air Algerie Boeing 737.*** Together with French co-counsel, Lieff Cabraser represents the families of several passengers who died in the March 6, 2003 crash of a Boeing 737 airplane operated by Air Algerie. The aircraft crashed soon after takeoff from the Algerian city of Tamanrasset, after one of the engines failed. All but one of the 97 passengers were killed, along with six crew members.
8. ***Crash of Flash Air Boeing 737.*** On January 3, 2004, all 148 passengers and crew were killed when a Flash Airlines Boeing 737 plunged into the Red Sea off the coast of Egypt, after the pilots encountered a malfunction in the flight control system. Most of the passengers were from France and were vacationing at the seaside resort of Sharm el Sheikh. After the families retained French attorneys to represent them, those French attorneys conducted several rounds of interviews of U.S. law firms with the intention of engaging one of those firms to file an action in the United States against Boeing, which manufactured the aircraft in the United States. Lieff Cabraser was selected to be that firm, and filed complaints in federal court in Los Angeles on behalf of the families of more than 120 victims. Although the U.S. District Court ruled that the case could be more conveniently tried in France, the plaintiffs have contested the jurisdiction of the French court over the case against Boeing. If the French courts rule against jurisdiction, the case in the United States will be reactivated. Otherwise, Lieff Cabraser will act as consultants to the French attorneys on technical issues and questions of U.S. law.

9. ***Tower Collision of U.S. Army Blackhawk Helicopter.*** Lieff Cabraser represents the family of a pilot who died in the November 29, 2004 crash of a U.S. Army Black Hawk Helicopter. The Black Hawk was flying during the early morning hours at an altitude of approximately 500 feet when it hit cables supporting a 1,700 foot-tall television tower, and subsequently crashed 30 miles south of Waco, Texas, killing both pilots and five passengers, all in active Army service. The tower warning lights required by FCC regulations were inoperative, and the aviation and weather experts retained by Lieff Cabraser will testify that had the lights been operating as they should have, the helicopter's pilots would have been warned away from the tower before they hit the cable. LCHB will be filing an action shortly.

10. ***Crash of China Eastern Airlines Bombardier CRJ200.*** Lieff Cabraser represents families of over 30 passengers who died in the November 21, 2004, crash of China Yunnan Airlines Flight 5210. The plane, a Bombardier CRJ-200 built in Canada with engines from a General Electric plant in Massachusetts, was headed for Shanghai with 47 passengers and six crew members when it crashed into a lake, seconds after taking off from Baotou, Inner Mongolia. The lawsuit filed by Lieff Cabraser in the Los Angeles Superior Court alleges that the crash was the result of a combination of pilot error and defects in the aircraft and its engines. The defendants' attempt to transfer the case to the federal court failed when Lieff Cabraser's motion to remand was granted by that court. The case is now pending in the Los Angeles Superior Court.

11. ***Crash of Macedonian Presidential Aircraft.*** Lieff Cabraser represents the families of 8 victims of the February 26, 2004 crash of a Beech King Air 200 in Bosnia-Herzegovina. The crash killed the President of Macedonia, Boris Trajkovski, and a number of his advisors and cabinet members.

12. ***Crash of Mandala Airlines Flight 91.*** On September 5, 2005, a Boeing 737 operating as Mandala Flight 091 crashed immediately after takeoff from the airport in Medan, Indonesia, killing 101 of the 117 people on board, as well as 44 people on the ground. Lieff Cabraser represents a number of injured persons and families of deceased victims.

13. ***Aeroflot-Russian International Airlines Airbus Disaster.*** Lieff Cabraser represented the families of passengers who were on Aeroflot-Russian International Airlines Flight SU593 that crashed in Siberia on March 23, 1994. The plane was in route from Moscow to Hong Kong. All passengers on board died. According to a transcript of the cockpit voice recorder, the pilot's two children entered the cockpit during the flight and took turns flying the plane. The autopilot apparently was inadvertently turned off during this time, and the pilot was unable to remove his son from the captain's seat in time to avert the plane's fatal dive. Lieff

Cabraser, alongside French co-counsel, filed suit in France, where Airbus, the plane's manufacturer, was headquartered. All the families Lieff Cabraser represented obtained substantial economic recoveries in settlement of the action.

14. ***United Airlines Boeing 747 Disaster***, MDL No. 807 (N.D. Cal.). Lieff Cabraser served as Plaintiffs' Liaison Counsel on behalf of the passengers and families of passengers injured and killed in the United Airlines Boeing 747 cargo door catastrophe near Honolulu, Hawaii on February 24, 1989. Lieff Cabraser organized the litigation of the case, which included claims brought against United Airlines and The Boeing Company. Among our work, we developed a statistical system for settling the passengers' and families' damages claims with certain defendants, and coordinated the prosecution of successful individual damages trials for wrongful death against the non-settling defendants.

15. ***German Air Force Lockheed F-104 Star Fighter Litigation***: In the late 1960s and extending into the early 1970s, the United States sold F-104 Star Fighter jets to the German Air Force that were manufactured by Lockheed Aircraft Corporation in California. Although the F-104 Star Fighter was designed for high-altitude fighter combat, it was used in Germany and other European countries for low-level bombing and attack training missions. Consequently, the aircraft had an extremely high crash rate, with over 300 pilots killed. Commencing in 1971, the law firm of Belli Ashe Ellison Choulos & Lieff filed hundreds of lawsuits for wrongful death and other claims on behalf of the widows and surviving children of the pilots. Robert Lieff continued to prosecute the cases after the formation of our firm. In 1974, the lawsuits were settled with Lockheed on terms favorable to the plaintiffs. This litigation helped establish the principle that citizens of foreign countries could assert claims in United States courts, and obtain substantial recoveries, against an American manufacturer based upon airplane accidents or crashes occurring outside of the United States.

I. International and Human Rights Litigation

1. ***Holocaust Cases***. Lieff Cabraser is one of the leading firms that prosecuted claims by Holocaust survivors and the heirs of Holocaust survivors and victims against banks and private manufacturers and other corporations who enslaved and/or looted the assets of Jews and other minority groups persecuted by the Nazi Regime during the Second World War era. We serve as Settlement Class Counsel in the case against the Swiss banks that the Court approved a U.S. \$1.25 billion settlement in July 2000. Lieff Cabraser donated its attorneys' fees in the Swiss Banks case, in the amount of \$1.5 million, to endow a Human Rights clinical chair at Columbia University Law School. We were also active in slave labor and property litigation against German and Austrian defendants, and

Nazi-era banking litigation against French banks. In connection therewith, Lieff Cabraser participated in multi-national negotiations that led to Executive Agreements establishing an additional approximately U.S. \$5 billion in funds for survivors and victims of Nazi persecution. Our website provides links to the websites of settlement and claims administrators in these cases.

Commenting on the work of Lieff Cabraser and co-counsel in the litigation against private German corporations, entitled *In re Holocaust Era German Industry, Bank & Insurance Litigation* (MDL No. 1337), U.S. District Court Judge William G. Bassler stated on November 13, 2002:

Up until this litigation, as far as I can tell, perhaps with some minor exceptions, the claims of slave and forced labor fell on deaf ears. You can say what you want to say about class actions and about attorneys, but the fact of the matter is, there was no attention to this very, very large group of people by Germany, or by German industry until these cases were filed. . . . What has been accomplished here with the efforts of the plaintiffs' attorneys and defense counsel is quite incredible. . . I want to thank counsel for the assistance in bringing us to where we are today. Cases don't get settled just by litigants. It can only be settled by competent, patient attorneys.

2. *Cruz v. U.S., Estados Unidos Mexicanos, Wells Fargo Bank, et al.*, No. 01-0892-CRB (N.D. Cal.). In April 2001, Lieff Cabraser filed a class action on behalf of contract workers (known as "Braceros") who came from Mexico to the United States pursuant to bilateral agreements from 1942 through 1949 to aid American farms and industries hurt by employee shortages. The agreements provided that ten percent of the Braceros' wages would be withheld from them and transferred via United States and Mexican banks to savings accounts for each Bracero. Plaintiffs claim they were never reimbursed for the portion of their wages placed in the forced savings accounts. In June 2005, U.S. District Court Judge Charles Breyer denied motions to dismiss filed by Mexico and the Mexican banks charged with illegally withholding the savings funds from the Braceros in an extensive opinion, permitting the case to go forward against the Mexican defendants. The case is pending on appeal in the Ninth Circuit Court.

3. *The Presbyterian Church of Sudan v. Talisman Energy and Republic of Sudan*, No. 01 CV 9882 (S.D. N.Y.). With co-counsel, Lieff Cabraser represents the Presbyterian Church of Sudan and current and former residents of southern Sudan who allege that they were victims of

genocide, crimes against humanity and other violations of international law by Talisman Energy, Inc. (“Talisman”), the largest independent Canadian oil producer, and the Sudanese government. Plaintiffs charge that in the late 1990s through 2003, Talisman and Sudan participated in a joint military strategy of ethnic cleansing against non-Muslim in order to create a buffer zone for the exploitation of oil reserves in the Western Upper Nile region of the nation. In meetings with government officials, plaintiffs charge that Talisman mapped out areas it intended to explore, and the parties would then discuss how to “dispose of” the civilians living in those areas. Talisman allegedly was aware that the result of these decisions was to cause genocide and war crimes as government military forces destroyed villages and killed, maimed, raped and tortured civilians of ethnic and religious minority backgrounds. The case is presently on appeal.

4. ***Ali, et al. v. Rumsfeld***, No. 05-C-1201 (N.D. Ill.) On March 1, 2005, Lieff Cabraser joined the ACLU and Human Rights First in representing seven individuals who claim that they were tortured by American military forces when they were held in U.S. Army detention facilities in Iraq and Afghanistan. Numerous Defense Department reports have found that torture was “widespread.” The suit alleges that Defense Secretary Donald Rumsfeld and high-ranking military commanders were responsible for authorizing torture or failing to stop torture after they learned of it. A former Rear Admiral and former Brigadier General also serve as co-counsel. The consolidated case is pending in the U.S. District Court in Washington, D.C.
